Hillsborough City School District

Dear Parents and Guardians,

On behalf of the Board of Trustees and our staff, we want to extend a warm welcome to the 2017-18 school year! We look forward to continuing our collaboration with parents and our dedicated community to provide an exemplarily educational program for all Hillsborough City School District students.

Our small class sizes, safe and clean schools, and overall excellence would not be possible were it not for the fact that we work closely with all of our parents, the Hillsborough Schools Foundation, the Associated Parents' Group, the Town of Hillsborough, the Hillsborough Police Department, Central County Fire, the Hillsborough Beautification Foundation, the Hillsborough Garden Club, and many more civic and community organizations. Our students' success is something that we can all be proud.

As a school district, we set high expectations for all students in learning environments which also support socio-emotional growth. The combination of these factors leads to high academic achievement which has always been one of our most important goals. Each year we see our students performing well across various local and state measures. In keeping with high expectations supported by socio-emotional programs for all students, and developing new initiatives and policies, we keep our Essential Outcomes at the forefront of our work for our students:

With the support of the entire school community, students will work towards becoming...

- **People of good character**
- **Innovators and problem solvers**
- **Effective communicators**
- **Global citizens**
- **Lifelong learners**
- **Effective users of information, media, and technology**

For more about our Essential Outcomes please visit our website at www.hcsd.k12.ca.us

If at any time you have questions or concerns regarding your child or any aspect of the school district's operation, please do not hesitate to give either of us, your principal, or one of our directors a call. The phrase "open door policy" means something in this district, and you will find us all to be very accessible and ready to listen. We would also like to take this opportunity to invite you to attend the **Superintendent Coffees** during the year. These meetings give you an opportunity to learn more about the district and to ask questions and make comments. Because communication is so important, the last page of this letter includes the dates and times for the Superintendent Coffees, the **School Board Meetings**, and some quick reference numbers.

School begins on Monday, August 28th for all students. Over the summer, principals and staff worked diligently to create well-balanced classes. The teams endeavored to match each child's learning style with the classroom teacher's instructional style; the social, emotional, and academic needs of all students were balanced; and recommendations from the teachers and requests from parents were conscientiously considered. The final class assignments were made by each principal after thoughtful reflection about each child. One of the consequences of having smaller class sizes is that with limited enrollment in each class, it is not possible to honor all parent requests for classroom placement.

The principals have each prepared a letter that is enclosed in this E-Packet. Please be sure to read this for more important information, including details about when and how you will receive information about your child's class placement or class schedule.

Please note that Crocker School has a new bell schedule this year! Crocker's first bell rings at 8:25 AM for all students. The first day of school is an early dismissal day with school dismissing at 2:15 PM. Additionally, and consistent with the regular bell schedule every Thursday is early dismissal at 2:15 PM.

All elementary schools start at 8:30 AM. **Please note that all campuses provide coverage for students beginning at 8:10 AM** which will allow parents who must drop students off at multiple schools to be able to complete the trip. Please note that the best way to cut down the drop off time in the morning is to drop your child off soon after 8:10 AM. **The first day of school, all elementary students will be dismissed at 12 noon.** Thursday will be the usual early dismissal times. We appreciate your patience during drop off and pick up times and your dedication to safety for all of our students.

The beginning of the school year provides a fresh start for each of us: a new year of optimism, high expectations, and commitment. We have dedicated staff, talented administrators, and a special community that supports our schools. Please remember that your individual and collective involvement in your school makes an enormous difference, and we thank you in advance for your participation!

Sincerely,

Louann Carlomagno, Interim Superintendent
Gilbert Wai, Board President

A note from Interim Superintendent Louann Carlomagno:

Dear Parents and Guardians,

I am honored to serve as Interim Superintendent in this renowned school district. I have truly enjoyed meeting students, staff, parents and community members and learning about what makes Hillsborough such a special place for learning and growing.

I am thankful for the deep commitment from both staff and the community in supporting exceptional educational programs for all our students and I look forward to seeing our programs in action once the school year begins.

My door is open to you and I invite you to introduce yourselves to me as you see me on our school campuses and in town. Thank you all for the warm welcome and I look forward to an exemplary school year!

Most sincerely,

Louann Carlomagno

DEAR HILLSBOROUGH SCHOOLS' PARENTS & GUARDIANS:

On behalf of the Associated Parents' Groups (APG), welcome to the 2017–2018 school year!

We know you lead busy lives and back-to-school can be an overwhelming time of year for you and your kids. So here is a way to **benefit from all Hillsborough's award-winning public schools have to offer in just three steps.**

**ASSOCIATED
PARENTS'
GROUPS**
OF HILLSBOROUGH

3 - STEP APPROACH:

① STAY CONNECTED – Make it a habit to stay informed about your school community. We find that these resources (prepared by a dedicated group of parent volunteers) are particularly helpful:

- **SCHOOL E-NEWSLETTERS:** Each of our four schools sends parents a comprehensive newsletter by email on approximately the 1st and 15th of every month.
 - **Please read the entire newsletter** — it's everything you need to know, all in one place.
 - **Can't find your copy?** You can access your school's newsletter any time by selecting your school on the ["Schools" tab](#) on the [District's website](#).
- **ALL SCHOOLS DIRECTORY:** Paid for through Parent Group dues, the All Schools Directory is your dedicated printed resource for email addresses and phone numbers for teachers, staff, and district families from all four schools.
 - **InfoSnap** — Do yourself (and us) a favor and take the time to enter your contact information accurately in the District's online-enrollment process, as this data is also used for the printed Directory.
 - **Directories** — We make every effort to deliver an accurate directory to you as soon as possible after school starts.
 - **Extra Copies** — Many parents like to keep extra copies of the Directory in their homes, offices, and cars. Additional Directories are available for purchase from each school's Parent Group, while supplies last.

② VOLUNTEER YOUR TIME & TALENTS – Hillsborough's public schools rely on a network of parents volunteering their time and expertise at each school site as well as for the district as a whole. We hope you will join us!

- **BENEFITS:** When you volunteer for our schools, you...
 - **Demonstrate to your child that education is important!** Studies show that students with involved parents are more likely to have higher grades and tests scores, as well as better behavior, social skills, and attendance.
 - **Develop a deeper understanding of your child's school, curriculum, teachers, and peers.** This will help you better support your child and reinforce school learning at home.
- **OPPORTUNITIES:** Ready to roll up your sleeves and get started?
 - **Volunteer Online** — Watch for links from your school's Parent Group for **online volunteer sign-ups**.
 - **New to volunteering?** Consider signing up to help out in your child's classroom or serve Choice Lunch. No experience needed, just a willingness to pitch in! It's also a great opportunity to see first-hand your child's day at school.
 - **Not able to volunteer during school hours?** From science fairs to socials, there are still many ways to get involved. Contact your Parent Group's Volunteer Chair or President to help you find the role that is right for you!

③ DONATE FUNDS – We ask for your financial support in the very important ways:

- **PAY SCHOOL DUES:** Your school's Parent Group collects dues from parents to fund programs at your school. Dues are now due and incorporate most school-related expenses for the school year. See the enclosed Parent Group Dues Form for details. [Note: Donations for field trips are not included in Parent Group dues.]
- **DONATE TO HSF:** The *Hillsborough Schools Foundation (HSF)* raises funds to increase per pupil spending. Pledge your financial support to *HSF* by Pledge Day, September 28th. See the enclosed *HSF* letter for details.

Many thanks for your ongoing support of Hillsborough's public schools! Please feel free contact me with any questions or concerns.

All my best,

[Michelle Fowler](#)

President, 2017 - 2018

Associated Parents' Groups

Thanks to you, *HSF* will give over \$3.3 million to our public schools this year!

Empowering Excellence *The Hallmarks of a Hillsborough Education*

Dear Families -

Summer 2017

Hillsborough public schools consistently rank among the very best in California. This is due in large part to our community's unwavering, long-term support of our local school district.

Following the passage of Proposition 13 and the resulting decline in education funding, a group of innovative parents created a groundbreaking public-private partnership to raise excellence in our schools. Since its founding in 1980, the *Hillsborough Schools Foundation (HSF)* has donated over \$56 million to our local school district, helping to maintain the high standards for which our public schools are known.

The Hillsborough Tradition of Excellence Continues!

Thanks to the generous support of our parents, grandparents, alumni, community members, teachers and staff, and local business partners, *HSF* announced it will allocate over \$3.3 million to the Hillsborough schools this coming school year.

These funds help provide students with the ***Hallmarks of a Hillsborough Education***: exceptional teachers and staff, excellence in math and reading, small class sizes, dedicated counselors, and language & world culture.

Sustaining Support is Critical for Continued Success!

Maintaining this excellence requires your participation because every year we start again from zero dollars. To achieve this, we ask all families to pledge to support *HSF* with a tax-deductible donation on or before **September 28** (*HSF* Pledge Day). All dollars pledged will be spent during the current school year.

- **Join the Scholars' Circle** with a family contribution of \$10,000 or more
- **Pledge ACE** with a gift of \$2,300 or more per child to cover the gap between government spending and the Additional Cost to Educate each student
- **Contribute to the Annual Campaign** with a gift in any amount that is meaningful to your family to help achieve our goal of 100% participation

We also invite you to invest in your children's education by supporting the Foundation in the following ways:

- **Attend HSF events** - Help build community at our Signature Fundraisers:
 - Pledge Day: **September 28**
 - Hillsborough Classic: **October 12-Tennis; October 13-Luncheon**
 - Dinner Dance: **March 17**
 - Hillsborough Fun Run: **May 20**
- **Volunteer** - Join the more than 200 volunteers from all four schools who come together to raise excellence in our schools while making lifelong friendships; email volunteers@hsf.org or call the *HSF* office at 650-344-6685 to get involved.

THANK YOU for your essential support of our schools.

3. *HOSPITALITY COMMITTEE:*

Wear your South spirit wear each Friday.

HOT LUNCH Chair: Jaynry Mak

The HOT LUNCH program is not possible without the support of our parent community. You will set up and help serve lunch to students. The lunch room is a great and flexible way to see your children during school, meet their friends, teachers, staff and other parents. The commitment is minimal but you get credit for one lunch for each day you volunteer. So your child essentially eats free every time you help.

HTV Chair: Mona Shah

Hillsborough is unique to other school districts in that it has its very own television station. HTV committee members are responsible for recording footage of class field trips, classroom presentations, musicals, and other various activities.

The footage is professionally edited and uploaded to our very own Vimeo channel for all to see. Also this footage is used to create the 5th grade memory DVD which all the kids get in their final year at South. Video camera and training will be provided. No experience necessary.

INNOVATION CHALLENGE Chair: OPEN POSITION

Each year, the 5th graders work for many weeks in ILab preparing for the Innovation Challenge. They combine the Design Thinking Process and Essential Outcome skills such as collaboration, innovative thinking and problem solving to come up with a solution to a real world challenge. The challenge is based on the San Jose Tech Museum's annual Tech Challenge and is truly about the evolution of the team's ideas and how each team comes up with a solution. The process the children experience to get to their end result is truly an accomplishment. To make this event a continued success, the following volunteers are needed for one full day: two team-leaders who collect students before their appointment time, help the team get

ready to present, and debrief the team after the presentation; one or two photographers to take pictures and short video clips of the interviews and device performance; and one or two people to provide snacks and light lunch for the judges and volunteers.

KINDERGARTEN PLAYGROUP REPS Co-chairs: Katherin Baban & Catherine Breen

1. *BORROWING:*

Parent volunteers are needed to help check in books that have been returned as well as to help check out books that are being borrowed. Library volunteers will be trained in the very simple library computer system prior to their first shift. This is a great way to learn about outstanding contemporary children's literature and to see your child in a relaxed setting.

Please note this is a 1x/month commitment where you are expected to find a replacement if you cannot make your selected date. Time slots are recurring days and times (1x/month).

2. *COLLECTION MANAGEMENT:*

Maintaining and adding to the library at South is the work of many hands and minds. If you enjoy learning about current and classic children's literature in the company of friends, please consider volunteering to add, mend, cover, or label library books.

3. *CURRICULUM HELPERS FOR K & 1ST GRADES:*

The library curriculum for transitional kindergarten, kindergarten and first graders features many interesting art activities that are tied to outstanding classic or contemporary literature and to the California standards. If you like listening to great picture books, helping Kindergarten and first grade students, and prepping art materials, please consider volunteering in this capacity.

A clear description of booth requirements and design will be provided to all classroom leads. 2 Leaders/classroom required.

Other committee members include current and past president, one South committee chairperson, and principal. Parents ideally have younger children at school in more than one grade.

READING TIGERS Co-Chairs: Debbie Crisp & Soraya Oliven

Each parent volunteer is expected to read the chosen book, select questions for discussion, and decide upon appropriate activities for his or her group. Student groups range from five to seven members and do not include a leader's child. All Reading Tigers parent volunteers must attend one of the two scheduled training meetings in the fall.

RED RIBBON WEEK Co-Chairs: Debbie Crisp & Amanda Enright

The focus of Red Ribbon Week is to educate and encourage children to make healthy lifestyle choices, while showing its commitment to a drug free life.

This committee will assist the school counselor and Principal with various activities throughout the designated week. (Usually during the third or fourth week of October).

ROOM PARENTS Room Parent Coordinator: Missy Schneller

Each classroom will need four room parents, a Lead, an Assistant, a Yearbook/HTV, and Multicultural Day contact. Lead Room Parent will oversee and coordinate classroom support as required by the teacher or the South Parent Group. She/he is also the communication link to the classroom parents. The Assistant will help the Lead with managing the finances, planning class parties, teacher gifts and staff appreciation week. The HTV parent will ensure class events are filmed and photographed. Yearbook meetings are attended on an as needed basis. The Mutlicultural Day parent will help with and coordinate set-up/clean-up, booth shifts and items needed for the booth.

SOUTH SIGNAGE Co-Chairs: Amanda Hoffmeister & Amanda Trimble

This volunteer role requires one to change the dates/events on the marquee outside of South School once per month. The dates/events come primarily from Tiger Tales unless there is a special request from the principal or other staff.

SOUTH SOCIAL Co-Chairs: Joanna Brusco & Angela O'Connor

Workshop Education

At **Workshop Education**, children acquire critical 21st Century and study skills while building friendships: a play date with a purpose. Parents pay only for the minutes your child is learning with us, and may email the evening before to drop in or change the schedule. We offer two types of Workshops daily.

Study Skills Workshops: Credentialed educators teach concrete strategies to tackle homework efficiently, study for tests, stay organized, and pace long-term projects. These skills are reinforced as children complete homework and school projects in a 1:10 teacher/student small group setting.

Innovation Workshops: Children learn 21st Century skills that are highly correlated with success ~ the ability to create, persevere, and communicate effectively. Each day of the week has a different academic focus. Our units of study change every six weeks.
