

COLLEGE BOOTCAMP

Attention All Seniors:

There will be a two-day College Admissions Season Boot Camp in the Computer Lab on **August 14th from 12:00PM -- 3:00PM**. We will take the time to input prospective colleges into Naviance, write invitations to teachers for letters of recommendation, and sync the Common Application to Naviance.

On **Tuesday, August 15th from 2:00PM -- 4:00PM**, the focus will be on the Personal Essay Statement with continued work on the Common Application and Naviance. This boot camp is not required, but should you not attend, you may fall behind with the college application process, thus, I strongly encourage ALL Seniors to attend. Please feel free to bring your own device if all the computers are being used. Should you have any further questions, please do not hesitate in contacting me. I look forward to an exciting Senior year as we all prepare to be part of the college applications and admissions process.

Sincerely,

Mr. Chavarría
Director of Guidance and
College Counseling
