

# Student Voices 2018

**Saturday, February 3, 2018**

We welcome all students, parents, faculty, staff, and administrators  
to attend from 11:00am-12:30pm.

**Campbell Hall**

4533 Laurel Canyon Blvd. North Hollywood, CA 91607

Join high school students, our future leaders from various independent schools who recently participated in the NAIS Student Diversity Leadership Conference, as they lead participants through experiential learning in mini workshops about identity, equity, and inclusion in our independent school communities.

This year, we are excited to be followed by the first **Students Stay Woke** conference, a community engagement initiative involving the collaboration of several organizations including SoCal POCIS and The Independent School Alliance for Minority Affairs. The afternoon, from 12:30-3:00pm, is for students only and will include lunch. **#studentstaywoke**

**Please RSVP by January 29, 2018**
